

Fintrac, a woman owned and US-based consulting company, develops agricultural solutions to end hunger and poverty. For 25 years, we have worked with local and global partners to increase production, improve postharvest handling, add value, and develop markets and competitive value chains for the world's most vulnerable farmers and communities.

Fintrac is seeking a **Contracts & Grants Manager** to lead, develop, and coordinate procedures for implementing subcontract and sub-grant awards across Fintrac projects globally. Successful candidates will have at least 6 years of experience in USAID award design, administration, management, and oversight (field and home office); demonstrated knowledge of FAR/AIDAR, ADS, and other USG contract regulations; and excellent written and verbal communication skills. Bachelor's degree required, experience training field staff, and Spanish proficiency preferred. Must be authorized to work in the United States and available for international travel. This position can be based in Fintrac's Washington, DC or St. Thomas, USVI office.

Fintrac is an equal opportunity employer and is committed to providing employment opportunities to minorities, women, veterans, and disabled individuals.
